

## Plenary Session: Sunday, April 15

4:00pm-5:00pm

### **AMS Wendell J. Macleod Memorial Lecture**

#### **Speaker:**

#### **Dr. Lincoln C. Chen, President, China Medical Board**

Lincoln Chen is President of the China Medical Board. Started in 1914, the CMB was endowed by John D. Rockefeller as an independent American foundation to advance health in China and Asia through strengthening medical education, research, and policy. Earlier at Harvard, Dr. Chen was the Founding Director of the Global Equity Initiative, the Taro Takemi Professor of International Health, and Director of the Harvard Center for Population and Development Studies. Dr. Chen also served as Executive Vice-President of the Rockefeller Foundation and Representative of the Ford Foundation in India and Bangladesh. Dr. Chen currently serves on the board of many UN, academic, alliance, and non-governmental organizations, including Chair of of BRAC/USA. He is a member of the Institute of Medicine, the American Academy of Arts and Sciences, the World Academy of Arts and Sciences, and the Council on Foreign Relations, and he graduated from Princeton University, Harvard Medical School, and the Johns Hopkins School of Hygiene and Public Health.
